

SALT LAKE AND LAGOON MEET

Both Line-ups Strengthened For Today's Game.

"BILLY DUTCH" WILL UMPIRE

M'NICHOLS EXPECTED TO ARRIVE THIS AFTERNOON.

SALT LAKE AND Lagoon, with their strengthened line-ups, will meet this afternoon at the local ball park. The management announced yesterday that the game would be free to ladies, and they are all invited to attend and take the best seats in the grand stand. President Critchlow said yesterday that William Leichenring, better known as "Billy Dutch," would umpire the game today. Leichenring arrived in the city yesterday, and Critchlow says he looks meek, and it is expected that at last the league has got a man who will umpire every day. The Salt Lake line-up will be considerably changed and even the regular fans will fail to recognize the White Wings. Adams, the new catcher, is expected in tonight, but if he fails to get here on time, Seare will be found behind the bat. Either Donnelly, the new pitcher, or Father Kelly will pitch. Huston will go to his old position at first and Brockhoff at second. If M'Nichols arrives in the city before the game starts he will be found at short, but if not, Ellis, the new fielder from the Pacific Northwest league, will hold down that position. Schile will cover third, Margetts right and Kimerer left.

The big chief figures that this lineup ought to win the game. For the Lagoon, Brisenho has been changed over to short and Hader to second. Tim O'Rourke is expected in to play at third, but in case he does not arrive in time, Plake will cover that bag. Lempe or Eubanks will do the pitching for the Lagoon.

GAMES AT OGDEN.

Logan and Lobsters Will Play Three Games.

(Special to The Herald.)

Logan, June 5.—The Logan baseball team goes to Ogden this afternoon, where it will play the Lobsters on Friday, Saturday and Sunday. Richards will likely pitch the first game. Harzitzel the second and Quick the last.

Stoney's bunch have added hand ball to their daily practice, and all the boys take a turn at it. "Nimble-pegs" Richards and Willie Hoffer are the champions. With Stoney and Pace hot after second money.

The announcement of Buck Weaver's doings on the bowling alleys has fired Stoney up, and he challenges any team in the league to a bowling match. He will back Glade and Stucke to take a fall out of any other two players in the league.

Waterbury, the Denver twirler with whom Stoney has been corresponding for some time, it is expected will join the Infants in Ogden on Saturday. He is said to be a fast man.

BUCK HAS A STAR.

Starke, the New Pitcher, Rated as a Fast Man.

F. L. Starke of Los Angeles, the pitcher secured by Manager Weaver, will arrive in Salt Lake not later than tomorrow. Starke has been for the Farmers. Starke comes highly recommended by people who know ball players when they see them, and it reputation counts for anything, should easily hold his own in this league.

He is also an infielder and an excellent hitter. He has beaten the San Francisco team, with Rube Waddell pitching against him, twice this season, letting them down with three hits in one game and four in the other. Starke is a man nearly six feet tall and weighs over 170 pounds. Brisenho, who knows Starke, says he is as good a pitcher as there is in California, and there are some good ones there, too.

OGDEN LOSES CASEY.

Lobsters' Second Baseman Signs With Sacramento Club.

(Special to The Herald.)

Ogden, June 5.—Michael Fisher, manager of the Sacramento baseball team, passed through Ogden yesterday on his way east to secure additional players. He stopped in Ogden long enough to pull sheep out of the Ogden team, having made him a most excellent offer.

Casey will remain in Ogden until Sunday evening, playing in the Ogden-Logan games scheduled at this point for today, Saturday and Sunday. This will materially weaken the Ogden team, as such players as Casey have been for the past three seasons are not picked up every day.

Will Go to Billings.

Kelly, who was given his release by Weaver this week, has received an offer from the Billings, Mont., team, with Shuster at the helm, and will leave just as soon as his transportation arrives. Dwyer leaves for the same place just as soon as a man is secured to take his place.

Has a Good Record.

William Leichenring, the new umpire secured by President Critchlow, is better known to the baseball public as "Billy Dutch." He is a cousin of the great Tableau family of ball players and is as good an umpire as there is in the business. He was with the old Western league for years, later on going to Colorado, where he has umpired all the games of any importance since

BASEBALL PLAYER

CHAMPION SWIMMER

C. E. Mayne, the Auburn locked youth who has been pitching for the Lagoon and Salt Lake teams this year, left last evening for Nampa, Ida., where he will play for the rest of the season. Mayne said last evening that after the close of the ball season he intended to return to Salt

then. Leichenring is a gentleman both off and on the field, and requires the players to treat him as such.

Bill Rafert's Team.

An aggregation of ball players known as the "Never Sweats" has been organized by Bill Rafert and challenges any team in the state for a game. They are especially anxious to meet the Port Douglas team. The players are composed of the following well known rounders: Big Bill Rafert, captain and manager; "Tont" Foreman, "Kid" Curley, "Ted" Gregory, "Slim" Armp, "Tark" Lawless, "Rummy" Taylor, "Pinn" Anderson, "G. G." Blackwood and "Doodle" Simpson. Manager Rafert said last night that they would get a galling run to do the umpiring.

Eagles, 4; County Juniors, 3.

The game played between the Eagles and County Juniors yesterday was won by the Eagles by a score of 4 to 3. They lined up as follows: Eagles—P. Whitney, c.; H. Young, p.; C. Clayton, I. b.; L. Clayton, 2 b.; S. Shepherd, 3 b.; J. Clawson, ss.; F. Spencer, r. f.; M. Gray, l. f.; County Juniors—B. Carling, p.; C. M. Clive, p.; C. Lund, I. b.; A. West, 2 b.; C. Jones, 3 b.; L. Campbell, ss.; L. Taylor, r. f.; S. Wright, l. f.

Word was received from Logan yesterday stating that Taylor, the Logan left fielder, had been released. Manager Stoney is now looking for a good man to take his place.

DYING FOR LACK OF CARE

Sick Man Approaching Grave While Authorities Debate Who Shall Care For Him.

A clash between the city and county authorities as to whose duty it is to care for a transient sick man, who is now dying, is being debated by the directors of the Ogden hospital, a rooming house, and paid for a room a week in advance. That evening he had taken sick and has been growing steadily worse. He had no money, and Mr. Lucas, the proprietor, has sought aid from both county and city authorities, without avail until late last night, when Dr. Dixon and Mayor Gismann called at the house. In the meantime Navan, who the doctor says, is afflicted with erysipelas, has grown so ill that he is unable to speak. As the day wears on, the expense of keeping the man, but declared that if nothing was done he could not afford it and would put the sick man into the street. It is a question as to whether the man will recover owing to the neglect and insufficient nourishment since he became sick.

JAIL BREAK INVESTIGATION.

Committee Trying to Ascertain How Young Escaped.

Yesterday morning the committee appointed to investigate the escape of Gee Yom, the alleged murderer of Gee Yom, began its labors. The witnesses called during the trial were Dr. Thomas, E. Browning, Police Officer C. Brown, Jailer W. F. Critchlow and his son Charles, and John S. Royle. The testimony developed that the prisoners had been taken to the Liberty Hotel, the station shortly before 10 o'clock Sunday night. Officer Brown brought in some drunks nearly an hour later, and also at 3:30 Sunday morning, but the escape could not have occurred at that time through the open jail door or through the office, as he and other patrolmen were present on the first occasion, and Officer Brown guarded the entrance the second time. It would seem, therefore, that Critchlow's theory that Young hid behind the door and slipped out in the morning when Critchlow opened the door to count the prisoners, the only one that can be advanced. Critchlow's testimony showed that he was in the habit of lying down to sleep near the telephone after midnight, and also that he often used his police committee for the liberty given to trustees. The testimony also brought out the facts that the council appoints the jailers under a resolution in compliance with the state law.
